RPC-1400

14 ”LCD/Silicon Keyboard/Waterproof/
Reinforce Operation Terminal

Features

- Dustproof and waterproof design （IP Code:IP54）
- Portable folding design,with handle
- Integrated with keyboard, mouse and LCD
- USB extended function

CE FC ☼ ISO9001

◆ **Introduction:**

RPC-1400 is a reinforced portable operation terminal, also have got dustproof and waterproof function. It integrates keyboard, mouse and LCD. It has got light weight, small dimensions, it is convenient to carry. OEM can be made acoording to customers' requirements, it also expands more function.

◆ **Specifications**

		Operating	Storage
LCD	Size	14″XGA TFT LCD,With OSD adjustment function	
	Resolution	1024 X 768	
	rightness	300cd/㎡	
	Contrast Ratio	500:1	
	View Angel	160/120（H/V）	
	Max Color	262K	
	Average Life	50,000h	
Input Device	Keyboard	Waterproof Silicon Keyboard	
	Hulapoint	Waterproof Hulapoint	
Power	DC 12V External		
Length of Cable	1.8m		
Environment		Operating	Storage
	Temperature	0℃～50℃	-20℃～60℃
	Humidity	10%～90%（Non-condensing）	5%～95%（Non-condensing）
	Anti-shock	3G@11ms	10G@11ms
	Anti-Vibration	0.4Grms(10～500Hz)	4.2Grms(10～500Hz)
Physics Characteristics	Demiension	325×295×63(mm)	
	Weight	5 KG	
	Color	Black	
Approval	FCC CE
